

MONDAYS

Pottery club with Julie Massey

Join renowned local expert Julie Massey in learning new and interesting pottery skills. All clay, paints and tools provided. Sculptures are taken off site to be fired when complete.

Open to years 4 to 11 (Max 16 pupils)

Junior Sports with Mr Legg

Join Mr Legg in having lots of fun playing different games and enjoying yourselves in the Sports Hall.

Open to years R to Y4

Coding Club with Mrs Percy

Learn the basics or develop new ways to write code and work on projects using code.

Open to years 7 to 9

Dance with Mrs Pragnell

After a warm-up to modern pop music, we cover a variety of genres of dance, from ballet and tap to cabaret, hip hop and musical theatre. We nearly always have an upcoming event to rehearse for such as the Gym and Dance competition, School Productions and other events like those hosted by History club. There are opportunities to contribute to choreography too and improvisation for inspiration moments.

Open to years 4 to 11

Rugby with Mr Padfield

Rugby is a game that can be for everyone! Come and learn some new skills or develop your existing ones. If you are confident to try, we will look at some tackling work too! Open to novices and club players alike, all abilities welcome. Open to Boys and Girls. Studded boot and gum shields are a must please.

Open to years 7 to 11

Tag Rugby with Mr Babur

Tag rugby is a brilliant introduction to learning the key skills of rugby and in Mr Babur we have a big fan of the game. Come and enjoy developing your skills – this club runs alongside and may mix at times safely with Mr Padfield's club too.

Open to years 3 to 6

TUESDAYS

Art Club with Mr Harris

Let your creativity run wild, working on independent or group projects with the expert support of Mr Harris. Within reason, your creativity will know no boundaries. Drawing, painting, sculpture, all can be explored.

Open to years 4 to 11 (max 22 pupils)

Gymnastics with Mrs Thomas

Our very own maths expert, Mrs Thomas, is also a highly experienced gymnastics coach. Come and get involved, you budding gymnasts. Come and join in some acrobatic fun! Sessions will incorporate opportunities to develop existing skills and learn new gymnastics moves (including sports acrobatics balance work) in a safe, supportive environment. School PE kit is fine, no special gymnastics outfit is required. Numbers are limited so please secure your place now!

Open to years 4 to 9 (max 10 pupils)

WEDNESDAYS

English Literature Club with Miss Gaudion

Would you like to develop your passion for English and your understanding of texts you are reading? You might even be curious as to the demands of the English Literature GCSE! Come along and spend some time together discussing important characters, themes and plots.

Open to years 8 to 11

Indoor Games Club with Mrs Morrison

Sport skills and game time can all be developed and enjoyed with Mrs Morrison on this afternoon – basketball, badminton, it will change from week to week...

Open to years 5 to 9

Textiles Club with Mrs Beck

Explore the world of creative textiles and let your imagination lead you. Develop the core textiles skills alongside your friends. If you are considering textiles at GCSE this is a must!

Open to years 7 to 11 (max 12 pupils)

GCSE Textiles club with Mrs Beck

For existing GCSE textiles pupils, spend time developing your exam projects under Mrs Beck's expert guidance and maybe help some of the younger pupils develop their skills too.

Open to GCSE textiles students in Y10 and Y11

Trampolining with Mrs Cooper

Tracey Cooper (Trampolining Coach) comes and gives expert guidance on our trampolines in the Sports Hall. Be prepared to work hard and have lots of fun.

Open to years 5 to 11 (max 16 pupils)

Lego Club with Mr Hutchings

A great opportunity to have a good time playing with Lego and develop your skills by constructing and developing fantastic vehicles, characters, settings, props and imaginative creations of your own.

We alternate club each week between a Freestyle session, where the children can let their imaginations run wild to build and play with their own fantastic creations, and a Challenge week. Here the children are set a theme, given time to design, before presenting their builds to the rest of the group, with the vote winner receiving a Lego master certificate.

“I really like it and you get to build stuff!”

“Escape reality and build whatever your imagination wants.”

Open to years 1 to 4

THURSDAYS

Astronomy Club with Mr Bury

Whether you're spotting planets with the naked eye or finding galaxies with a telescope, there are lots of ways you can take in the wonders of the universe from the comfort of Earth.

Once you've familiarized yourself with objects visible to the naked eye you can start to point them out to other people. Bring your devices to access online content.

Open to years 7 to 11
