### After School Activities

A wide range of after school activities are available each day. Two after school activities per week are included in the boarding fees. Extra after school activities would incur an additional charge.

### Guardianship

A UK guardian is required for overseas students. This will incur additional costs when using the services of a professional guardianship company ([www.aegisuk.net](http://www.aegisuk.net)). Parents may nominate a family friend or relative living in the UK to act as a guardian as long as the nominated party are fully aware of the responsibilities they are expected to undertake. Guardianship responsibilities are outlined in the policy on the web site.
