

MOYLES COURT SCHOOL

Taster Days 2023-2024

We invite all prospective pupils to have two taster days at Moyles Court so that they can experience what it is like to be a pupil here before making the decision to enrol. During the taster days children will join their respective classes, take part in the School's curriculum, and be assessed in Maths and English.

Feedback will be given to parents by our teaching staff at the end of the second day. For children looking for boarding places this will also include a night in the boarding house

Transition Day 2024

Friday 14 June

We would be grateful if children could arrive at 08:30 at the School Reception and be collected at 16:00 on both taster days.

What the children will require for their taster days

The school will let you know what to bring and wear as your taster days approach.

If your child is looking for a boarding place and therefore staying overnight in the boarding house, he/she will also need to bring clothes to wear in the evening, wash kit, towel, pyjamas and slippers. They would also be welcome to bring their own bedding (duvet, duvet cover, bottom sheet, pillow and pillowcase), but if this is not possible, these can be provided.

Transition Day (Reception to Year 7)

Children enrolled for September 2024 in Reception to Y7 classes will also be invited to attend a **Transition Day on Friday 14 June 2024.**

This will give prospective pupils an opportunity to meet their new teachers, make friends with the other children in the class and familiarise themselves with the school before joining us in September.

We look forward to meeting you and your child(ren) and welcoming you to our School.
