

23rd April 2024

Dear Parents,

I do hope you enjoyed a relaxing Easter with family and friends, and we can now look forward to the Summer Term; enjoying longer days, our beautiful New Forest setting and a myriad of summer events for everyone to get involved in.

We particularly look forward to the completion of our new Astro-turf facility, which combined with our significant investment in sports coaching, will give our pupils a high quality, all-year surface to allow them to hone their skills and build on recent success. Also new for this summer, will be development of our outdoor learning area to further inspire our younger children.

At this time each year, the Board review the fees for the forthcoming academic year. Many factors are considered; our significant programme of regular maintenance to update and improve the buildings, our site and our teaching facilities; the success of the introduction of our STEM programme and our plans to build on this success; the introduction and expansion of the Creative Carousel in the senior school; our programme of upgrades in IT to develop cloud based solutions to replace outdated hardware, along with in-class upgrades of technology to further improve both the quality of teaching and pupils' learning in our classrooms. I'm certain that our preschoolers have enjoyed their upgraded classroom facilities and playground. Our parents' feedback has certainly been very favorable.

Alongside this the Board appreciate the need to maintain fees at a level which, whilst enabling development of an enriching and stimulating educational environment for your children, allows us to sustain comparably affordable school fees, and on this basis, we have been advised that the fees applicable from September 2024 will be as shown below:

Morning Session	Afternoon Session	Full Day	School Day
8.30am – 1pm	1pm - 5.30pm	8.30am – 5.30pm	8.30am – 4.00pm
Fruit, Milk and Lunch included	Fruit, Milk and Tea included	Fruit, Milk, Lunch and Tea included	Fruit, Milk and Lunch included
£37.55	£34.95	£63.25	£56.45

From September 2024 fees are subsidised for children aged 2.5 years and over in receipt of the Nursery Education Grant (up to 15 hours and 30 hours of government funding for 3-4 years).

With effect from 1 September 2024, the following additional charges will be payable by all children in receipt of the Nursery Education Grant:

Morning Session	Afternoon Session	Full Day	School Day
Fruit and Milk & Lunch	Fruit and Milk & Tea	Fruit and Milk, Lunch & Tea	Fruit, Milk and Lunch
£2.85 per session	£2.60 per session	£3.45 per session	£2.85 per session

Moyles Court continues to flourish thanks to your continued support, and we appreciate the sacrifices families are making during a time when all household finances are firmly under the spotlight. We look forward to sharing another successful year with you.

Yours sincerely
